

Fotografia no vinculante

The image displays a technical drawing of a mechanical component, likely a bracket or arm. It includes a perspective view on the left and a detailed cross-sectional view on the right. The perspective view shows a long, thin arm with a flange at one end and a mounting bracket at the other. The cross-sectional view provides precise dimensions for the component's geometry, including diameters, radii, and lengths. Key dimensions include a total length of 170, a mounting hole diameter of Ø16, and a flange diameter of Ø5.1. The drawing is labeled 'Fotografia no vinculante' (Photograph not binding).

Queda reservado el derecho a introducir modificaciones, en cuanto a la redacción, contenidos técnicos e información relativa a medidas, pesos y materiales en función de los avances de la técnica. Las fotografías no son vinculantes.
