Partition plates and end plates are essential accessories for terminal blocks. Partition plates provide optical and electrical separation of different potentials and functional groups, increasing safety and ensuring a clear structure inside the control cabinet. End plates close the terminal block row on the sides, protect against contact with live parts, and ensure a clean, stable finish. Both components are precisely matched to the respective Weidmüller terminal block series, contributing to safe, compliant, and professional wiring.

General ordering data

Version	Partition plate (terminal), dark beige, Height: 65 mm, Width: 1.5 mm, V-0, Wemid
Order No.	106840000
Type	WTW WTL6/1 DB
GTIN (EAN)	4008 19009 1996
Qty.	20 items
