KNIPEX StepCut® XL

Cable shears with step cut

- High-leverage joint, long handles and optimised cutting edges: noticeably easier cutting than with compact cable shears
- Large cutting capacity: cuts solid copper or aluminium cables up to 35 mm², stranded cables up to 70 mm² and fine stranded cables up to 120 mm²
- Dual cutting areas: Stepped cutting edge holds small and larger cables close to the joint during the cut; the front cutting edge cuts very large cables step by step
- With comfort handles: consisting of three ergonomic components for optimized handling and equipped with two KNIPEXtend interfaces for extensions
- Easy one- or two-handed operation with minimum handle opening for large cable diameters
- Adjustable, high-leverage bolted joint provides precise and smooth cutting
- Slim head for easier accessibility
- Pinch guard prevents operators' fingers being pinched
- Not suitable for steel-reinforced cables, e.g. ACSR
- Cutting edges additionally laser-hardened, cutting edge hardness approx. 56 HRC

General

Part No.	95 12 225 SB
EAN	4003773089940
Shears	burnished
head	burnished
handles	with comfort handles
Weight	425 g
Dimensions	225 x 85 x 21 mm
REACH compliant	does not contain SVHC
RoHS compliant	not applicable

technical change and errors excepted

Screwed joint: smooth-running, precise, adjustable

Slim head for easier accessibility

Stepped cutting edges prevent cables from slipping out
