Accessories especially suitable for the demands of wagon-to-wagon coupling have been developed for the High-Power end-wall connectors and thus significantly enhance the added value of the plug-in connectors.

Easy-to-install coding pins ensure reverse polarity protection, plastic cover caps provide sufficient dust protection, while aluminium covers are designed to be absolutely water and dust-proof.

The accessories intelligently round off the overall system.

General ordering data

Version	HDC enclosures
Order No.	1475840000
Type	HDC HP550 CP
GTIN (EAN)	4050118282511
Qty.	200 pc(s).

Technical data

Dimensions and weights

Depth	16 mm	Depth (inches)	0.63 inch
Diameter	5 mm	Net weight	0.53 g

Temperatures

Limit temperature	-40 °C ... 120 °C
-------------------	-------------------

General data

Colour	silver	Material	Steel, galvanised
Surface finish	galvanized

Environmental Product Compliance

RoHS Compliance Status	Compliant
REACH SVHC	No SVHC above 0.1 wt%

Important note

Product information	Depending on the intended operation, internally generated voltages can superimpose the working voltage and contain corresponding peaks. It is imperative to ensure that these peak voltages do not exceed the rated voltage. For applications outside of this specification, please contact us.
